To whom it may concern,

My name is Caren, grant administrator and Locum coordinator for SASSA. I herewith wish to express my gratitude to Ambition 24 Locums for having supplied us with Medical Doctors and other medical personnel for a number of years now. I can confidently state that Ambition 24 Hours has always been able to assist us with our requirements, and where issues arose with our permanent staff being sick or not available Ambition 24 has always been able to assist on short notice too. I highly recommend their services to any medical organisation as it has given me peace of mind I otherwise would not have had.

Many Thanks

Kind regards,

Caren Moos
